Outside Assistance / Private Scholarship Notification Form

The Financial Aid Office encourages students to research and apply for scholarships offered by various organizations, companies and clubs. There are many resources available to assist students with their search, some of which are listed on our website. **Students should avoid any services that promise results for a fee.** Please visit <http://www.peabody.jhu.edu/41> for more information.

If you will be receiving a scholarship (or loan) from a source other than Peabody, please complete this form and return it to the Financial Aid Office as soon as possible. This form is required, even if the funds are released directly to you. If you are receiving more than 7 awards, please submit an additional form. If available, be sure to attach a copy of any supporting documentation. Do not include National Merit or Maryland state aid. All checks should be mailed to the address above.
