\*It is not necessary to take every exam and sub-level. Students who enter the program at later stages in their development will start at the most appropriate level in the sequence.

\*Certificates and mini-certificates are awarded only if exams are passed with a minimum of 80% and theory classes passed with a Grade of B-.

\*Grade Reports and mini-certificates are mailed to students within 2 weeks of the exam.

\*Certificates are awarded at the Award Ceremony held each June.

\*There is only one exam at the Advanced/Pre-Conservatory level. You either take the Advanced Exam **or** the Pre-Conservatory Exam – not both.
