

# PREPARATORY DANCE SPRING 2019 CLASS SCHEDULE

## GENERAL INFORMATION

- \* Tuition is listed per semester; the curriculum is designed for year long study.
- \* Registering for a level package which includes more than one class per week offers financial savings compared to registering for each class individually.
- \* As the levels progress, the package savings increase!
- \* All classes require a minimum of eight students; classes with fewer than eight students are subject to cancellation.
- \* Class days, times, and faculty are subject to change.
- \* Students must meet minimum age requirement by first day of the **FALL** semester.
- \* A \$25 registration fee is assessed each semester in addition to tuition.
- \* Students in Introduction to Ballet 2, Primary Ballet Program Levels 1-2X, and Pre-Professional Program Levels 3-6 are eligible to participate in the year-end performance. A \$40 production fee is assessed as part of the spring semester registration for eligible students. If a student wishes to opt out of performing, please contact the Preparatory Dance office.
