IMPORTANT REP CLASS GUIDELINES

Fall semester 2020 Online. Spring 2021 TBD.

Out of courtesy to the teacher and other performers, all students are asked to *stay for the entire class*.

This is a wonderful performance opportunity and a chance to receive feedback from other Peabody Prep faculty.

Repertoire should be polished, memorized (except for sonatas or some contemporary works), and ready for a first performance. Students must have permission from their teachers in order to sign up for Repertoire Class.

Spring TBD: For in-person repertoire classes, you should have rehearsed with a pianist prior to the class. An accompanist will be provided for that day but please remember to bring the piano part for your piece.
