Student and/or Spouse Non-Tax Filer – Verification of 2021 Income

Your 2023–24 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, you must confirm the information you reported on your FAFSA. To verify that you provided correct information the

there are differences, your FAFSA and submit the form and other req	school will compare your FAFSA with the info A information may need to be corrected. You n puired documents to the financial aid administr tion, contact your financial aid administrator as	nust complete and sign this worksherator at your school.
