Crime Log case numbers do not run sequentially. Johns Hopkins University Corporate Security assigns a case number for all reportable									
activities, both crimin	al and non-criminal. Only	v case numbers gen	erated for crimii	nal activity are listed in the crime	e log.				
Crimes are listed in ch	ronological order for the	last 60 days. The m	ost recent crime	es are at the bottom of the last page	oe.				
		·			-				
A hard copy of the Cri	ime Log is available at the	e Campus Security	Department, Sha	apiro House Basement, during no	rmal business hours (Monday –				
				ion received from the Director o					
Office of Institutional Equity, or other University Administrators, who are defined by federal law as "Campus Security Authorities (CSA's)."									
These administrators share non-identifying information, with Corporate Security that is provided by the victim. In these incidents, the crime									
was reported directly to that CSA and not to Corporate Security, therefore, it is not always possible to provide information regarding the five									
areas typically covered in the Crime Log, i.e., Nature/Classification (Crime), Date/Time Reported, Date/Time Occurred, General Location									
and Disposition. Because an official report was not filed, the disposition will be "Closed- Referred to DSA/OIE" or "Closed-No Further									
Action." These incidents are reported to Corporate Security for statistical purposes and are posted to the Crime Log.									
Note: Incidents with a case number that start with "BPD" involve crimes reported directly to the Baltimore Police Department, not to									
· ' '									
Corporate Security. Because an official report was not filed with Corporate Security, the disposition will be "Closed-BPD Investigation." These incidents are reported to Corporate Security for statistical purposes and are posted to the Crime Log.									
These incidents are re	porteu to Corporate secu	rity for statistical p	urposes and are	posteu to the Crime Log.					
Note: For incidents in which a Security Alert, Public Safety Advisory or Rave Alert was issued the below legends will be posted to the Crime									
Log.
