Crime Log									
Peabody Institute Campus									
Crime Log case numbers do not run sequentially. Johns Hopkins University Corporate Security assigns a case number for all reportable									
activities, both criminal and non-criminal. Only case numbers generated for criminal activity are listed in the crime log.									
Crimes are listed in chronological order for the last 60 days. The most recent crimes are at the bottom of the last page.									
A hard copy of the Crime Log is available at the Campus Security Department, Shapiro House Basement, during normal business hours (Monday –

Note: Incidents with a case number that start with "CSA #-year" involve information received from the Director of Student Affairs, the Office of Institutional Equity, or other University Administrators, who are defined by federal law as "Campus Security Authorities (CSA's)."									
These administrators share non-identifying information, with Corporate Security that is provided by the victim. In these incidents, the crime									
was reported directly to that CSA and not to Corporate Security, therefore, it is not always possible to provide information regarding the five									
areas typically covered in the Crime Log, i.e., Nature/Classification (Crime), Date/Time Reported, Date/Time Occurred, General Location									
and Disposition. Because an official report was not filed, the disposition will be "Closed-Referred to DSA/OIE" or "Closed-No Further									
Action." These incidents are reported to Corporate Security for statistical purposes and are posted to the Crime Log.									
Note: Incidents with a case number that start with "BPD" involve crimes reported directly to the Baltimore Police Department, not to									
Corporate Security. Because an official report was not filed with Corporate Security, the disposition will be "Closed-BPD Investigation." These incidents are reported to Corporate Security for statistical purposes and are posted to the Crime Log.									
These incluents are re	portea to Corporate Seca 	rny for statisticat pt	urposes and are	posted to the Crime Log.					
Note: For incidents in which a Security Alert, Public Safety Advisory or Rave Alert was issued the below legends will be posted to the Crime									
Log.									
***Security Alert		**Public Safety Ad	lvisory	*Rave Alert					
According to Federal Law, an institution may withhold any of the required fields of entry, i.e. the nature, date, time, location and/or									
disposition if any of the following conditions apply:									
The disclosure is prohi	ibited by law								
·	ppardize the confidentialit	y of the victim.							
If disclosure would jeopardize an ongoing criminal investigation or the safety of an individual									
If disclosure would cause a suspect to flee or evade detection
